

AIA CHICAGO

MEMBER BENEFITS

Membership is an essential investment in your future at every stage of your career.

Here are just some of the benefits you'll have as a member:

Architect Member Benefits

Support

- Access a range of expertise through a peer network of more than 83,000 national members and 3,000 at the AIA Chicago local level.
- Attend events, activities, and network through your state and local AIA components—demonstrate leadership skills and raise the visibility of the profession in your community. AIA Chicago alone hosts more than 100 events per year.
- Signify that as an AIA architect you adhere to a professional code of ethics and share a common goal to build a better world for all people. Use the credentials *AIA* after your name in professional settings.
- Affect public policies through a Government Advocacy legislative agenda that help create a more favorable environment in which to pursue your practice and career goals, such as starting a firm.
- Use AIA Contract Documents™, the most widely accepted standard form documents in the industry, prepared by the AIA in collaboration with owners, contractors, attorneys, architects, and engineers, to help you conduct construction-based business efficiently and effectively; available to members at a discount.

Knowledge

- Continuing education through CES Discovery keeps you on track with thousands of education courses through hundreds of approved education providers. Plus, on-demand access to your transcript. More than 20 Knowledge Communities, professional interest groups that enable you to build a peer network of colleagues who share your interests and practice specializations.
- AIA KnowledgeNet gives you access to collective knowledge of thousands of members; a space to conduct discussions, find best practices, and get to know other design professionals
